2002 Survey of Business Owners

Release Date: 9/14/2006

Sector 00: Survey of Business Owners (SBO): Geographic Area Series: Economy-Wide Estimates of Business

Ownership by Gender, Hispanic or Latino Origin, and Race: 2002

[NOTE. Includes firms with paid employees and firms with no paid employees. The U.S. totals are based on the 2002 Economic Census, whereas the gender, Hispanic or Latino origin, and race estimates are based on the 2002 Survey of Business Owners. Detail may not add to total because a Hispanic or Latino firm may be of any race. Moreover, each owner had the option of selecting more than one race and therefore is included in each race selected. Firms with more than one domestic establishment are counted in each industry and geographic area in which they operate. For information on confidentiality protection, sampling error, nonsampling error, and definitions, see [Introductory Text](#).]
